

## CONGRATULATIONS GWEN – 90 years young!

Gwen celebrated her 90<sup>th</sup> birthday in style on Fri 5<sup>th</sup> September. Grianán Community took Gwen and long-time friends Pauline and Aline out for a celebratory lunch which they all enjoyed.

Later in the evening the RSHMs in the locality – Madonna House and Castle Oaks – were invited to Grianán for high tea and it lived up to that name! Gwen herself had done all the baking of the ‘goodies’. The centrepiece was a magnificent cake which she had baked and iced as only Gwen can. She certainly has not lost her skills. Her niece, Joyce, joined the celebrations and was justly very proud of her aunt. Everyone enjoyed the feast and the chat. Congratulations again Gwen! You certainly don’t look 90!

Gwen made and iced the beautiful cake herself. She has not lost her touch!
