

Diamond Jubilee Celebrations

AUGUST 2021

Thank you to everyone for sending photographs of your jubilee celebrations and messages for the Sisters of the NEA.

LIVERPOOL

Gertrude appreciating her lovely cake.

Gertrude and Kathleen

We celebrated Gertrude's on the Sunday sharing a splendid cream and fresh fruit cake. On the following Wednesday we celebrated with Kathleen with lunch in Seafield and then with us all in Arrowsmith the cutting of another cake! It was a joyful triduum of thanksgiving and appreciation for the years of dedication among us of these fine women. *Barbara*

It seems no length since I was thanking you for golden jubilee wishes and now it's diamond!!

I have just been re-reading my lovely cards and I send a big thank-you to all who had masses offered and sent jubilee wishes and gifts.

I had enjoyable jubilee celebrations in Manor Park together with Rosemary followed by more jubilations in Seafield and Arrowsmith. I'm blessed with lovely memories of each celebration.

Appreciation and thanks,

Mary Jo and Joanna from The Park wouldn't miss the party!

Thank you all so much for your messages of Congratulations, Masses and Prayers for my Diamond Jubilee. Your cards, emails, texts, phone calls and especially your prayers were deeply appreciated.

We had a lovely joyful celebration, with Rosemary and our Sisters in Ealing joining us for the celebration. Being our first 'get together ' for over a year made it extra special, and we all enjoyed being together again for a celebration.

With love, prayers and gratitude,

Kathleen O'Donovan

Ut Vitam Habeant

Our motto sums up for me what the past 60 years have been about – receiving and giving life.

I wish to thank all who sent me greetings, masses and gifts to mark the occasion and to all in Ferrybank who made the actual day memorable. I was lucky enough to be included in the Liturgy planned by Patricia for her family and to a celebration meal afterwards including Teresa and Maire (members of my group) and some members of Ferrybank community – unfortunately numbers were limited because of the on-going Covid restrictions as the virus is still very active in Ireland.
