

PRAYER FOR OCTOBER 2010

A vibrant, abstract painting of a landscape. In the upper right, a large, bright yellow sun with a white cross-like shape inside it shines in a blue sky. Below the sun, a deer stands in a field of green grass and purple flowers. The background features stylized trees with purple and green foliage. The overall scene is bright and colorful, with a sense of hope and renewal.

Christ Jesus, you call us  
to love our neighbour  
by bringing food to those who are hungry  
and freedom to those who are crushed  
**Help us to be your good news**

Christ Jesus, you call us to open our eyes  
and see that another world is possible  
– a world where those in power use it wisely  
and hope transforms lives.  
**Help us to answer your call.**

Christ Jesus, we seek a world transformed,  
a world where riches are freely shared  
and all may live life to the full.  
**Help us to be your good news.**

**Amen**
