

## Prayer Provincial Chapter 2012

Spirit of God, guide our journey towards our Provincial Chapter.

Open our hearts and fill us with compassion.

May your love transform and free us.

May we be fired with

zeal to respond to the needs of today's world  
passion for justice

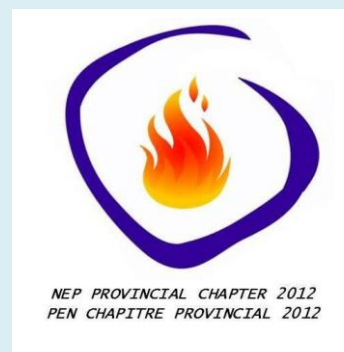

vision of a new society where we work with others for equality

desire to be open and share

responsibility for our world through a belief

in the interconnectedness of all creation

wisdom to know how we can make a difference as followers of Jesus.

Amen
