

PRAYER for JULY 2013

Drink
drink deep
let it all
sink in
to the well
of your
remembering
and the spell
of your
imagining
against the day
after day
after day
devoid of time
to sit
and pray,
when your heart
is up against
the wall,

your thirsting spirit
will recall
what a blessing
so much time
and space is
and return you
to this
graced
oasis.
