

Jubilee Sœur Marie-Jean - 9th May 2015

9 May 2015 was a much anticipated day of celebration – the day of the platinum jubilee of Sister Marie-Jean Barthes : 70 years of religious life. The celebration took place in the Mother House. At mass in the choir of the chapel (the round chapel) the crowd gathered: RSHM living in France and a few from the PEN, Marie-Jean's family, past pupils and friends. The auxiliary bishop Monsieur Claude Azema presided, accompanied by a few priests. The choir of her parish participated.

After the mass, the cocktail was served outdoors by a group of competent friends and was followed by a meal. There were about sixty people present for the meal. We could all appreciate the excellent food served and the service before enjoying the entertainment produced by the RSHM present.

All of the participants deeply appreciated the day and Marie-Jean could thank the Lord for so many blessings. The following day the 10th of May after mass in the parish, la Dèveze, the Sisters provided cocktails to celebrate her 70 years of religious life with the parishioners.
