

You are ...
As close to us as we are to ourselves.

Though we cannot see you with outward eyes,
We know our soul's gaze is upon your face,
Smiling back at us from within everything
To which we bring our best refinement.

Let us not look for you only in memory,
Where we would grow lonely without you.
You would want us to find you in presence,
Beside us when beauty brightens,
When kindness glows
And music echoes eternal tones.

When orchids brighten the earth,
Darkest winter has turned to spring;
May this dark grief flower with hope
In every heart that loves you.

May you continue to inspire us:

To enter each day with a generous heart.
To serve the call of courage and love
Until we see your beautiful face again
In that land where there is no more separation,
Where all tears will be wiped from our mind,
And where we will never lose you again
