

Adapted from **An alternative Magnificat** by Leia Organa

My soul rejoices and dances with delight
At the name of my Lord.
I burst into song at the oddest of times,
Unable to contain my emotions of the moment.
I laugh with God I cry with God,
I wonder at the plans He has for us.
I delight in the connections
He gives to us in our day to day living
And my spirit is in awe of my God Almighty
For he reveals to us bit by bit,
The depth of His being
And the fullness of His plan for humanity.

My Father has done miraculous things for me:
He has brought me to here
despite my hard heart and closed mind.
He opened the deepest corners of my soul
Revealing parts of me I didn't even know myself
He taught me a lesson and is teaching me a lesson
About who is the judge:
He and not I

My Lord has turned my life around
...turned me around
And has given me the heart to see things
in another light

He has opened my eyes
and opened my mind
Allowing me to see
just a little more
Of who He truly is.
