Dear Sr Kathleen,

Thank you for contacting the National Board. I understand that the Religious of the Sacred Heart of Mary Sisters no-longer have ministry with children. On that basis there is no need for you to conduct an annual self-audit or to be reviewed by the National Board.

Religious of the Sacred Heart of Mary Sisters should remember that they are mandated under Children First legislation and should report all allegations, suspicions and concerns to An Garda Síochána and Tusla.

Yours sincerely

Chief Executive Officer
